

November 2, 1962

Mr. Johnson:

According to Bromley Smith, no official record was made of the meeting with the President on Tuesday, October 16th. Bundy has some notes, but is not expected to prepare minutes or summary of conversations.

Smith attended the NSC meetings on Sunday and Monday, 21 and 22 October, and kept a record of conversations. He proposes to prepare and circulate minutes of both those meetings.

H. L. B.
